

# More Options. More Health.<sup>SM</sup>

AMT is a not-for-profit Trust that was formed by our participating associations to help member businesses get superior health coverage.

## How AMT Works for You

When member businesses join AMT, they get superior value and service from a self-funded, not-for-profit trust that serves the needs of thousands of participating employer members.

AMT's plans are designed to give small businesses more options with better service at lower cost. Healthcare consumers should expect and get more, so we put our profits into improving our plans, and, when possible, we pay dividends.
